20.1.6.306 DELIBERATION AND DECISION:

A. If a quorum of the commission attended the hearing, and if the hearing notice indicated that a decision might be made at the conclusion of the hearing, the commission may immediately deliberate and make a decision on the proposed regulatory change.

B. If the commission does not reach a decision at the conclusion of the hearing, the commission administrator, following receipt of the transcript, will promptly furnish a copy of the transcript to each commission

member that did not attend the hearing and, if necessary, to other commission members, commission counsel and the hearing officer. Exhibits provided to those persons at the time of the hearing need not be supplied again.

C. The commission shall reach its decision on the proposed regulatory change within 60 days following the close of the record or the date the hearing officer's report is filed, whichever is later.

D. If, during the course of its deliberations, the commission determines that additional testimony or documentary evidence is necessary for a proper decision on the proposed regulatory change, the commission may, consistent with the requirements of due process, reopen the hearing for such additional evidence only.

E. The commission shall issue its decision on the proposed regulatory change in a suitable format, which shall include its reasons for the action taken.

F. The commission's written decision is the official version of the commission's action, and the reasons for that action. Other written or oral statements by commission members are not recognized as part of the commission's official decision or reasons.

G. If the commission fails to act on a proposed rule within two years after the notice of proposed rulemaking is published in the New Mexico register, the rulemaking is automatically terminated unless the commission acts to extend the period for an additional two years by filing a statement of good cause for the extension in the rulemaking record. If the commission extends the rulemaking period, it shall provide for additional public participation, comments, and hearing prior to adopting the rule.

H. The commission may terminate a rulemaking at any time by publishing a notice of termination in the New Mexico register. If the commission terminates a rulemaking in this manner, it shall provide to the public notice of its action.
