**8.15.2.9 PRIORITIES FOR ASSISTANCE:** Any funds received by the department under the child care development fund and other sources are expended for child care assistance pursuant to the following priorities:

**A.** Priority one: Clients receiving temporary assistance to needy families (TANF) benefits are considered priority one clients.

(1) Participation exemption: The human services department grants participation exemptions to TANF clients who cannot locate child care. The children, youth and families department is responsible for the verification of the TANF participant’s inability to locate child care. Reasons for a participation exemption due to lack of child care are as follows:

- (a) the unavailability of appropriate child care within a reasonable distance from the individual’s home or work site;
- (b) the unavailability or unsuitability of informal child care by a relative or under other arrangements; or
- (c) the unavailability of appropriate and affordable formal child care by a relative or under other arrangements.

(2) A person who applies for participation exemption for any or all of the above reasons is referred to the children, youth & families department child care resource and referral. The child care resource and referral assists the client with location of child care. The final validation/verification of a client’s inability to locate child care is determined by the child care services bureau supervisor in conjunction with his/her supervisor. A client who receives a participation exemption due to lack of child care is required to re-apply for the exemption every six months. If a person disagrees with the determination of their eligibility for a participation exemption, they may apply for a fair hearing with the human services department (HSD). HSD is responsible for providing notice of the approval or denial of a participation exemption.

**B.** Priority one A: [RESERVED]

**C.** Priority one B: Child care assistance for income eligible families whose income is at or below one hundred percent of the federal poverty level, adjusted annually in accordance with federal guidelines. ~~[If the number of eligible clients in this priority exceeds budget availability, the department may maintain a waiting list.]~~ The department prioritizes child care services within priority one B for children with special needs, disabilities, homeless families, and for teen parents. ~~[If budget availability permits, the department reserves the right to transfer priority one B families whose income exceeds one hundred percent of the federal poverty level but is at or below two hundred percent of the federal poverty level to the priority four category.]~~

**D.** Priority two: Families transitioning off TANF. Clients must have received TANF for at least one month in the past 12 months in order to qualify for priority two. Only clients whose TANF cases are closed at least in part due to increased earnings or loss of earned income deductions or disregards are eligible for priority two. Priority two clients do not have to meet income eligibility requirements during their 12 consecutive month period of eligibility for priority two child care.

**E.** Priority three: [RESERVED]

**F.** Priority four: Child care assistance for families whose income is above one hundred percent of the federal poverty level but at or below two hundred percent of the federal poverty level, adjusted annually in accordance with federal guidelines. These families are certified for a 12 month block of time [subject to the availability of funds and renewable subject to the availability of funds] and will remain eligible at or below two hundred fifty percent of the federal poverty level. Exceptions to the 12 month certification period are included in 8.15.2.11 NMAC. ~~[The department reserves the right to expand the eligibility requirement up to two hundred percent of the federal poverty level based on budget availability. Families in any priority may be transferred to priority four if budget availability permits. **G.** Child protective services (CPS) child care: The department pays for CPS child care as determined by the protective services of the department. Income requirements and copayments are waived for clients in this priority.

**H.** At-risk child care: In addition to these priorities, the department pays for at-risk protective services child care as approved by the department. Child care benefits are provided for a minimum of six months to support the family. Income requirements and copayments are waived for clients in this priority.  
[8.15.2.9 NMAC - Rp, 8.15.2.9 NMAC, 10/1/16, A, 10/01/19]

**8.15.2.12 RECERTIFICATION:** Clients must recertify for services at the end of their eligibility period by complying with all requirements of initial certification. Clients who recertify will qualify at or below two hundred fifty percent of the federal poverty level. If recertification is not completed in a timely manner, the case may be closed on the last day of the month for which assistance is provided under the previous placement agreement. **8.15.2.13 CLIENT RESPONSIBILITIES:** Clients must abide by the regulations set forth by the department and utilize child care assistance benefits only while they are working, attending school or participating in a training or educational program.

**A.** Co-payments: Co-payments are paid by all clients receiving child care assistance benefits, except for CPS child care, at-risk child care, and qualified grandparents or legal guardians as defined in Paragraph (2) of Subsection C of 8.15.2.11 NMAC. ~~[Co-payments are based upon the size and income of the household.]~~ Co-payments are determined by income and household size. The co-payment schedule is published yearly at <https://cyfd.org/child-care-services>.

**B.** ~~[Co-payments for each additional child are determined at one half of the co-payment for the previous child.]~~ Co-payments described in Subsection A of 8.15.2.13 NMAC, are used for determining the base co-payment for the first eligible child. The formula for calculating the co-payment for the first full time child is (low end of the monthly income bracket on the co-payment schedule ÷ 200 percent of annual federal poverty level for household size) X (low end of the monthly income bracket on the copayment schedule) X 1.1 = monthly copayment for first full time child. Base co-payments for each additional child are determined at one half of the co-payment for the previous child.

(1) The first child is identified as the child requiring the most hours of child care.  
(2) Each additional child will be ranked based on the most number of hours needed for child care to the least number of hours needed for child care.

**C.** ~~[Co-payments for children in part time care are determined based upon the block of time that the child is in care.]~~ Each child's co-payment will be adjusted based on the units of services described in Subsection E of 8.15.2.17 NMAC, as follows:

(1) full time care will be based on one hundred percent of the base co-payment;  
(2) part time 1 care will be based on seventy-five percent of the base co-payment;  
(3) part time 2 care will be based on fifty percent of the base co-payment; and  
(4) part time 3 care will be based on twenty-five percent of the base co-payment.

**D.** Clients pay co-payments directly to their child care provider and must remain current in their payments. A client who does not pay co-payments may be subject to sanctions.

**E.** The co-payment for a child shall not exceed the monthly provider reimbursement rate. If this

situation arises, the co-payment may be reduced in the amount by which it exceeds the monthly provider reimbursement rate.

**F.** In-home providers: Parents who choose to use an in-home provider become the employer of the child care provider and must comply with all federal and state requirements related to employers, such as the payment of all federal and state employment taxes and the provision of wage information. Any parent who chooses to employ an in-home provider releases and holds the department harmless from any and all actions resulting from their status as an employer. Payments for in-home provider care are made directly to the parent.

**G.** Notification of changes: Clients must notify the department of changes that affect the need for care, which include but are not limited to any non-temporary change in activity, or household members moving in or out, within five business days of the change. Clients who do not comply with this requirement may be sanctioned.

**H.** Required application with New Mexico human services department's child support enforcement division (CSED):

(1) When one or both of the child's parents are absent from the home, the client shall apply for child support through CSED within 12 months of initial application with the child care assistance program.

(2) The following exceptions include but are not limited to: the client is receiving TANF; the client is already receiving child support; the client is receiving financial support, including but not limited to housing, clothing, food, transportation and funds, from the non-resident parent; there is a joint custody agreement and neither parent is ordered to pay support; parental rights have been terminated; the parent is a foster parent to the child; the parent is an adoptive parent and provides proof of a single parent adoption; at-risk child care; a parent is temporarily out of the home and is still considered part of the household; the client is a teen parent; the client is a grandparent; guardian; parent is deceased or when good cause exists.

(3) Good cause for refusal to apply may be granted when such application is not in the best interest of the child or parent, including but not limited to the following circumstances:

(a) there is possible physical or emotional harm to the child, parent or guardian;

(b) the child was conceived as a result of incest or rape;

(c) legal proceedings for adoption of the child are pending before a court; or

(d) the client is currently being assisted by a public or licensed private social agency

to resolve the issue of whether to keep the child or relinquish the child for adoption.

(4) The applicant or recipient who makes a claim for good cause shall supply written documentation to establish the claim. The caseworker shall not deny, delay, or discontinue subsidized child care benefits pending a determination of good cause if the applicant or recipient has complied with the requirements to furnish information.

(5) If the client is not exempted from applying with CSED and has not applied within the required timeframe, the client's case will be closed.

[8.15.2.13 NMAC - Rp, 8.15.2.13 NMAC, 10/1/16, A, 10/01/19]

**8.15.2.15 PROVIDER REQUIREMENTS:** Child care providers must abide by all department regulations. Child care provided for recreational or other purposes, or at times other than those outlined in the child care agreement, are paid for by the client.

**A.** All child care providers who receive child care assistance reimbursements are required to be licensed or registered by the department and meet and maintain compliance with the appropriate licensing and registration regulations in order to receive payment for child care services. Beginning July 1, 2012, child care programs holding a 1-star license are not eligible for child care assistance subsidies. The department honors properly issued military child care licenses to providers located on military bases and tribal child care licenses properly issued to providers located on tribal lands.

**B.** Child care providers collect required co-payments from clients and provide child care according to the terms outlined in the child care agreement.

**C.** Child care providers must notify the department within three business days after the fifth day of non-attendance if the child is disenrolled or is absent for five consecutive scheduled days. Providers who do not comply with this requirement are sanctioned and may be subject to recoupment or disallowance of payments as provided by Subsection G of 8.15.2.11 NMAC.

**D.** Child care providers accept the rate the department pays for child care and are not allowed to charge families receiving child care assistance above the department rate for the hours listed on the placement agreement. Failure to comply with this requirement may result in sanctions or suspension of the child care assistance agreement.

(1) ~~[In situations where an incidental cost may occur such as field trips, special lunches or~~

~~other similar situations, the child care provider is allowed to charge the child care assistance family the additional cost, provided the cost does not exceed that charged to private pay families.] Providers are not allowed to charge clients a registration/educational fee for any child who is receiving child care assistance benefits as listed under 8.15.2 NMAC. The department shall pay a five dollar monthly, not to exceed sixty dollars per year, registration/educational fee per child in full time care, on behalf of department clients under 8.15.2 NMAC. Adjustments to the five dollar registration/educational fee will be made based on units of care.~~

(2) ~~[Providers may charge a registration/educational fee to a child care assistance family comparable to but not to exceed that charged to private pay families. The registration/educational fee shall be charged no more than once every six months and shall be limited to materials and supplies. If the department determines that the provider is charging fees that are unreasonable and pose an undue burden to child care assistance families, the department may suspend the child care assistance contract.] In situations where an incidental cost may occur such as field trips, special lunches or other similar situations, the child care provider is allowed to charge the child care assistance family the additional cost, provided the cost does not exceed that charged to private pay families.~~

(3) Child care providers are allowed to charge child care assistance families the applicable gross receipts tax for the sum of the child care assistance benefit and co-payment.

E. Under emergency circumstances, when CYFD has reason to believe that the health, safety or welfare of a child is at risk, the department may immediately suspend or terminate assistance payments to a licensed or registered provider. The child care resource and referral will assist clients with choosing another CYFD approved provider.

F. Providers who are found to have engaged in fraud relating to any state or federal programs, or who have pending charges for or convictions of any criminal charge related to financial practices will not be eligible to participate in the subsidy program.

[8.15.2.15 NMAC - Rp, 8.15.2.15 NMAC, 10/1/16, A, 10/01/19]

**8.15.2.17 PAYMENT FOR SERVICES:** The department pays child care providers on a monthly basis, according to standard practice for the child care industry. Payment is based upon the child's enrollment with the provider as reflected in the child care placement agreement, rather than daily attendance. As a result, most placements reflect a month of service provision and are paid on this basis. However, placements may be closed at any time during the month. The following describes circumstances when placements may be closed and payment discontinued at a time other than the end of the month:

A. When the child care placement agreement expires during the month, or when the provider requests that the client change providers or the provider discontinues services; payment will be made through the last day that care is provided.

B. Upon a change of provider the client and former provider have three days after the fifth day of nonattendance to notify the department. If this requirement for notification was met, the provider will be paid through the 14th day following the first date of nonattendance. If notification requirement is not met, the provider will be paid through the last date of attendance. The agreement with the new provider shall become effective when payment to the previous provider ceases. If the client notifies the department of the change in providers fewer than 14 days before the change will take place or after the change has taken place, the client is responsible for payment to the new provider beginning on the start date at the new provider and continuing up until the final date of payment to the former provider, as described above. Payment to the former provider will be made through the last day that care is provided if the child is withdrawn from the provider because the health, safety or welfare of the child is at risk, as determined by a substantiated complaint against the child care facility.

C. The department shall pay a five dollar monthly, not to exceed sixty dollars per year, registration/educational fee per child in full time care, on behalf of department clients under 8.15.2 NMAC. Adjustments to the five dollar registration/educational fee will be made based on units of care. The registration/educational fee will discontinue when a placement closes as a result of a client changing providers, a provider discontinuing services, a child care placement agreement expiring, or a provider's license being suspended or expiring.

~~[C.]~~ D. The amount of the payment is based upon the age of the child and average number of hours per week needed per child during the certification period. The number of hours of care needed is determined with the parent at the time of certification and is reflected in the provider agreement. Providers are paid according to the units of service needed which are reflected in the child care agreement covering the certification period.

~~[D.]~~ E. The department pays for care based upon the following units of service:

Full time	Part time 1	Part time 2 (only for split custody or in cases where a child may have two providers)	Part time 3
Care provided for an average of 30 or more hours per week per month	Care provided for an average of 8-29 hours per week per month	Care provided for an average of [6]8-19 hours per week per month	Care provided for an average of 7 or less hours per week per month
Pay at 100% of full time rate	Pay at 75 % of full time rate	Pay at 50 % of full time rate	Pay at 25% of full time rate

~~[G.]~~ **H.** The department pays a differential rate according to the license or registration status of the provider, national accreditation status of the provider if applicable, and star level status of the provider if applicable.

~~[H.]~~ **I.** Providers holding and maintaining CYFD approved national accreditation status will receive the differential rate listed in Subsection I. below, per child per month for full time care above the base rate for type of child care (licensed center, group home or family home) and age of child. All providers who maintain CYFD approved national accreditation status will be paid at the accredited rates for the appropriate age group and type of care. In order to continue at this accredited reimbursement rate, a provider holding national accreditation status must meet and maintain licensing standards and maintain national accreditation status without a lapse. If a provider holding national accreditation status fails to maintain these requirements, this will result in the provider reimbursement reverting to a lower level of reimbursement.

(1) Providers who receive national accreditation on or before December 31, 2014 from an accrediting body that is no longer approved by CYFD will no longer have national accreditation status, but will remain eligible to receive an additional \$150 per child per month for full time care above the base rate for type of child care (licensed center, group home or family home) and age of child until December 31, 2017.

national accreditation status. All providers are required to notify the department immediately when a change in accreditation status occurs.

**[J.] K.** In order to continue at the FOCUS reimbursement rates, a provider must meet and maintain the most recent FOCUS eligibility requirements and star level criteria. If the provider fails to meet the FOCUS eligibility requirements and star level criteria the provider reimbursement will revert to the FOCUS criteria level demonstrated.

**[K.] L.** Differential rates determined by achieving higher star levels determined by AIM HIGH essential elements of quality will be discontinued effective December 31, 2017. The department will pay a differential rate to providers achieving higher star levels determined by the AIM HIGH essential elements of quality until December 31, 2017 as follows: 3-Star at \$88.00 per month per child for full time care above the base reimbursement rate; 4-Star at \$122.50 per month per child for full time care above the base reimbursement rate, and 5-Star at \$150.00 per child per month for full time care above the base reimbursement rate.
