The Department is re-promulgating this rule in full within six months of issuance of the emergency rule in accordance with the New Mexico State Rules Act.

Notice Date: October 26, 2021

Hearing Date: November 30, 2021

Adoption Date: Proposed as March 1, 2022

Technical Citations: 45 CFR 155 subpart F

The Department is proposing to amend the rule as follows:

Background

New Mexico's Health Insurance Exchange (NMHIX; aka beWellnm) is transitioning from utilizing the federal IT platform of Healthcare.gov to a state-based IT platform. Given this transition, HSD must collaborate with beWellnm on IT and program integration. One aspect of program integration pertains to appeals rights for adverse actions impacting an enrollee's eligibility for qualified health plans through NMHIX, federal tax credits and cost-sharing reductions, and other issues pertaining to NMHIX coverage. While using the federal Healthcare.gov platform, NMHIX has been working with the federal government on such appeals, when necessary. With the move to a state-based platform, NMHIX has requested that HSD take on the role of providing first tier appeals of adverse actions by enrollees. Thus, HSD must promulgate rules pertinent to providing those appeals for NMHIX enrollees or potential enrollees.

The Department is proposing to amend the rule as follows:

8.100.970 - NMAC-General Provisions for Public Assistance Programs – Oversight-Program Participation Hearings.

This rule is being updated to integrate functions of providing first tier appeals for New Mexicans purchasing coverage through New Mexico's Health Insurance Exchange (NMHIX; aka beWellnm).
