

This is an amendment to 16.61.3 NMAC, Section 9 and 15, effective 2/25/2022.

16.61.3.9 EXAMINATION AND LICENSING REQUIREMENTS:

A. Associate broker's license: prior to applying for an associate broker's license, an applicant must pass both a national broker examination prescribed by the commission, and the New Mexico real estate broker's examination prescribed by the commission.

B. Examination application.

(1) Applications to take the prescribed broker's examination(s) are made directly to the commission's examination contractor on a form prescribed by the commission and provided by the contractor in a candidate information bulletin. Along with the application form, an applicant must submit certificates of completion of commission-approved 30-hour pre-licensing courses in real estate principles and practice, real estate law, and broker basics. These pre-licensing courses must have been completed within the three years prior to application to take the examinations. Exam candidates who are licensed as associate brokers and are taking the broker's examination to upgrade to qualifying broker are exempt from the three-year time limit and must only provide documentation of course completion.

(2) Exam candidates originally licensed as real estate salespersons or brokers or licensees in other states or jurisdictions may apply for waivers from completing the real estate principles and practice and real estate law courses in New Mexico and from taking the national portion of the broker's examination if they can provide a certified license history from their resident licensing jurisdiction documenting that they have completed these courses or their equivalent. A New Mexico associate broker upgrading to qualifying broker will be exempt from taking the national portion of the broker's exam.

(3) Except in a case of a license applicant from a state or jurisdiction with which the New Mexico real estate commission has a written license recognition agreement, an exam applicant cannot be exempted from completing the commission-approved 30-hour broker basics course.

(4) License applicants currently licensed by state or jurisdiction with which the commission has a written license recognition agreement are not required to take any of the prescribed pre-licensing courses or take either portion of the broker's examination to be eligible to apply for a New Mexico broker's license.

(5) Exam applicants exempted from taking the real estate principles and practice and real estate law courses by virtue of having a current real estate broker's license in another state shall attach to their examination application a letter of pre-licensing education waiver from the commission and a certificate of completion of the 30-hour broker basics course.

(6) All other applicants for the examination shall attach to their license examination application certificates documenting completion of one 30-hour pre-licensing course each in real estate principles and practice, real estate law, and broker basics.

(7) At the time of making application to take the examination, applicants shall pay to the commission's examination contractor a non-refundable fee not to exceed \$95.

(8) Applicants are required to pass both the state and national portions of the examination with a minimum score of 75 no later than 90 calendar days after the first time they took the examination. Applicants failing to pass both portions of the examination within this time frame will be required to re-take and pass both portions of the examination before being eligible to apply for a broker's license.

C. Associate Broker License application.

(1) Upon passing both portions of the New Mexico real estate broker's examination, an individual has six months to apply for an associate broker's license on the application prescribed by the commission.

(2) An individual who fails to apply for an associate broker's license within six months of having passed both portions of the broker's examination shall be required to re-take both portions of the examinations six month deadline.

(3) An applicant for an associate broker's license shall be a legal resident of the United States and have reached the age of majority in New Mexico or in the state in which the applicant resides.

(4) Along with the license application form prescribed by the commission, the applicant must submit a written score report provided by the examination contractor documenting that the applicant has passed both portions of the examination with a minimum score of 75, documentation of having been fingerprinted for purposes of matching with state and national arrest record databases, a certificate of insurance documenting that the applicant has a current errors and omissions insurance policy that meets the requirements for such insurance as described in

16.61.5 NMAC of the commission rules, and a non-refundable license application fee not to exceed \$270. Recent veteran applicants and military service members, their spouses and dependent children, are exempt from the license application fee for the first period of licensure.

D. Qualifying broker's license examination: there is no separate qualifying broker's examination.

~~**E.** Military service members and recent veterans.~~

~~(1) The commission shall, process the application and issue a license to the spouse of a military service member, a dependent child of a military service member, or a recent veteran that meets all the requirements for licensure as a real estate broker in New Mexico.~~

~~(4) Military service members and recent veteran applicants, their spouses and dependent children, are exempt from the license application fee for the first period of licensure.]~~

(6) A license issued pursuant to this section shall be valid for a period of three years from the date of issuance to the last day of the month following the licensee's birth month.
