6.12.4.8 REQUIREMENTS: Each local school board or governing body shall establish a tobacco, alcohol and drug free school policy:

A. The policy shall provide specific rules of conduct prohibiting the use, possession, and distribution of commercial tobacco and nicotine products, electronic delivery devices, alcoholic beverages, mood-altering substances and illicit drugs on school property and at off-campus school-sponsored events by students, school personnel, and visitors. These activities are prohibited at all times.

B. Each school district shall detail the prohibited acts and activities under the policy, and shall establish adequate provisions for its enforcement, including the enumeration of possible sanctions or disciplinary action, consistent with applicable statutory and case law.

C. Each policy shall include progressive and supportive disciplinary action beginning with options to promote positive student outcomes such as tobacco education or referral to counseling, parent conferences, and school or community service. Referrals to resources to help students overcome nicotine addictions shall be provided when developmentally appropriate. Parents or guardians shall be notified of all violations and actions taken by each school district.

D. All school personnel shall abide by the policy and are responsible for enforcement of the policy. Each school district may establish procedures necessary to implement the policy among school personnel. Disciplinary penalties may be imposed in accord with policies of the district regarding conduct and disciplinary actions.

E. Referrals to resources to help school personnel overcome nicotine addictions shall be provided to school personnel who are found to be in violation of this policy. Each school district may establish procedures for school personnel to receive training in the provisions of this policy, existing and emerging commercial tobacco products, trends in youth commercial tobacco and nicotine use, prevention education, and cessation support on an annual basis.

F. Each school district shall prohibit the promotion of tobacco products, electronic delivery devices, alcoholic beverages, mood-altering substances or illicit drugs on the school property or at off-campus, school-sponsored events. This includes promotion of these products via gear, technology accessories, bags, clothing, any personal articles, signs, structures, vehicles, flyers, or any other materials.

G. Each school district policy shall require school administration to provide referrals to resources to help students and school personnel overcome nicotine addiction.

H. The policy shall provide that no school employee who in good faith reports any known or suspected use, possession or distribution of alcoholic beverages, mood-altering substances or illicit drugs shall be held liable for any civil damages as a result of such report or efforts to enforce the policy.

I. Each school district shall develop and implement a procedure for effectively communicating the policy to students, their parents and families, school personnel, visitors on school property, and to local residents, groups, businesses and organizations served by the school. Such communication may include publishing information in student and employee handbooks, school district websites, announcements at school-sponsored events, and posting conspicuous, appropriate signage in buildings and on school property, including at entrances to school buildings and athletic events, in a manner and location that adequately informs students, school personnel, and visitors of the policy.

J. Each school district shall post conspicuous notices on all school property prohibiting the use, possession and distribution of tobacco products, e-cigarettes and nicotine liquid containers, alcoholic beverages, mood-altering substances and illicit drugs, in school buildings, on school property, and by students at off-campus, school-sponsored events away from school grounds. Each school district shall post appropriate signage on school premises prohibiting the use, possession and distribution of commercial tobacco products, electronic delivery devices, on school property and by students at off-campus school-sponsored events in a manner and location that adequately notifies students, school personnel, and visitors, including at the entrance to school buildings and athletic events.
