16.20.6.8 PHYSICAL THERAPIST ASSISTANTS:

A. A physical therapist assistant may work only under the direction and supervision of a New Mexico physical therapist who is licensed pursuant to Subsections A and B of Section 61-12-10 NMSA 1978 of the Physical Therapy Act. The referring physical therapist shall assume full responsibility for the professional activities of the assistant, which are undertaken pursuant to his/her direction or supervision.

B. A physical therapist may not be responsible for the direction and supervision of more than three full-time physical therapist assistants working three FTE's (full-time equivalency, totaling 120 work hours per week) requiring supervision, including temporary physical therapists, temporary physical therapist assistants, or full-licensed physical therapist assistants.

C. A physical therapist may supervise more than three physical therapist assistants provided combined FTE's do not exceed 120 hours per week.

D. The direction and supervision of the physical therapist assistant shall require the following:

- (1)** the referring physical therapist is responsible for the patient's care;
- (2)** when physical therapy services are being provided, a licensed physical therapist must be on call and readily available for consultation by phone, electronic mail or cellular phone when the referring physical therapist leaves the area or facility, for any length of time, or the referring physical therapist must appoint a stand in physical therapist as a supervising therapist until such time the referring physical therapist returns to the facility;
- (3)** the referring physical therapist will formulate a current written plan of care for each patient; the referring physical therapist will review the plan of care at least every 30 days;
- (4)** the physical therapist should only delegate interventions to physical therapist assistant's that are competent and trained in these interventions; the physical therapist assistant shall not:

- (a)** interpret referrals;
- (b)** specify or perform definitive (initial, progress/re-evaluation, discharge) evaluative and assessment procedures;
- (c)** alter goals or a plan of care; or
- (d)** determine when to utilize the physical therapist assistant to perform selected interventions of physical therapy care.

- (5)** the physical therapist assistant may sign daily notes without the physical therapist's co-

signing; each daily treatment note in a patient's permanent record completed by a physical therapist assistant must include the name of the referring physical therapist; and

(6) the physical therapist assistant shall respond to acute changes in the patient's physiological state; the physical therapist assistant shall notify the referring physical therapist of those changes prior to the next treatment session.
