[4/1/97; Recompiled 10/31/01]
[Compiler's note: The words *or paragraph*, above, are no longer applicable. Later dates are now cited only at the end of sections, in the history notes appearing in brackets.]

7.28.2.6 OBJECTIVE:
A. Establish minimum standards for licensing of home health agencies who provide medically directed therapeutic and/or supportive services to a patient/client in their place of residence.
B. Monitor home health agencies' compliance with these regulations through surveys to identify any areas which could be dangerous or harmful to a patient/client or staff.
C. Encourage the establishment and maintenance of home health agencies to provide medically directed therapeutic and/or supportive services, to a patient/client in their place of residence, that maintain or improve the health and quality of life to patients/clients who are in New Mexico.
[5/7/91, 4/1/97; Recompiled 10/31/01]

7.28.2.7 DEFINITIONS: For purposes of these regulations the following shall apply:
A. "Abuse" means any act or failure to act performed intentionally, knowingly or recklessly that causes or is likely to cause harm to a patient/client, including:
 (1) physical contact that harms or is likely to harm a patient/client of a home health agency;
 (2) inappropriate use of a physical restraint, isolation or medication that harms or is likely to harm a patient/client;
 (3) inappropriate use of a physical or chemical restraint, medication or isolation as punishment or in conflict with a physician's order;
 (4) medically inappropriate conduct that causes or is likely to cause physical harm to a patient/client;
 (5) medically inappropriate conduct that causes or is likely to cause great psychological harm to a patient/client;
 (6) an unlawful act, a threat or menacing conduct directed toward a patient/client that results and might reasonably be expected to result in fear or emotional or mental distress to a patient/client.

B. “Administrator/director” means a qualified individual, on-site, appointed by the governing body who organizes and directs the agency’s on-going functions, maintains liaison among the governing body, the group of professional personnel and other staff, employs qualified personnel, ensures adequate staff education, ensures the accuracy of public information materials and activities, and implements an effective budgeting and accounting system. A branch office must have a qualified on-site branch manager who receives direction and supervision from the parent home health agency’s administrator/director.

C. “Applicant” means the individual who, or organization which, applies for a license. If the applicant is an organization, then the individual signing the application on behalf of the organization must have authority from the organization. The applicant must be the owner.

D. “Auxiliary work station” means a non-licensed, non-staffed convenience work station away from the licensed location of the home health agency’s office.

E. “Branch office” means a licensed location or site from which a home health agency provides services and is located sufficiently close that it is not impractical for it to receive direction and supervision from the parent home health agency on a day-by-day basis.

F. “Bylaws” means a set of rules adopted by a home health agency for governing the agency’s operation.

G. “Clinical/service note” means a written notation dated and signed by a member of the health team that summarizes facts about care furnished and the patient/client’s response during a given period of time.

H. “Department” means the New Mexico department of health.

I. “Exploitation” of a patient/client consists of the act or process, performed intentionally, knowingly or recklessly, of using any patient/clients money or property, for another person’s profit, advantage or benefit. Exploitation includes but is not limited to:

(1) manipulating the patient/client by whatever mechanism to give money or property to any agency staff or management member;

(2) misappropriation or misuse of monies belonging to a patient/client or the unauthorized sale, transfer or use of a patient/clients property;

(3) loans of any kind from patient/clients to agency staff or management;

(4) accepting monetary or other gifts from a patient/client or their family with a value in excess of \$25 or gifts which exceed a total value of \$300 in one year. All gifts received by agency operators, their families or staff of the agency must be documented and acknowledged by the person giving the gift and the recipient.

Exception: Testamentary gifts, such as wills, are not, per se, considered financial exploitation.

J. “Governing body” means the governing authority of a facility which has the ultimate responsibility for all planning, direction, control and management of the activities and functions of a home health agency licensed pursuant to these regulations.

PP. “**Therapeutic services**” means a medically directed activity or activities to patients/clients based upon a knowledge of disease processes provided by a home health agency.

QQ. “Waive/waiver” means to refrain from pressing or enforcing compliance with a portion or portions of these regulations for a limited period of time in which the health, safety, or welfare of the patient/clients and staff are not in danger. Waivers are issued at the sole discretion of the licensing authority. [9/12/74; 8/1/77; 5/7/91; 12/27/95; 4/1/97; 6/15/98; Recomplied 10/31/01]

7.28.2.8 STANDARD OF COMPLIANCE: The degree of compliance required throughout these regulations is designated by the use of the words “shall” or “must” or “may”. “Shall” or “must” means mandatory. “May” means permissive. The use of the words “adequate”, “proper”, and other similar words means the degree of compliance that is generally accepted throughout the professional field by those who provide services of home health agencies as outlined in these regulations. [5/7/91; Recomplied 10/31/01]

7.28.2.9 HOME HEALTH AGENCY AND SCOPE OF SERVICES: An agency or organization meeting the following criteria must be licensed as a home health agency:

- A.** Provides at least one medically directed service, such as, but not limited to:
 - (1) skilled nursing
 - (2) physical therapy
 - (3) occupational therapy
 - (4) inhalation therapy
 - (5) infusion therapy
 - (6) speech language pathology
 - (7) social work
 - (8) home health aide
 - (9) personal care attendant
 - (10) homemaker
- B.** A home health agency must provide at least one of the above services, in its entirety, directly through employees, but may provide other services under arrangements with another agency or organization or provider.
- C.** A licensed home health agency may also provide non-medically directed services.
- D. Home health agency excludes:**
 - (1) independent or sole practitioners providing in-home services under their respective professional practice acts;
 - (2) medical suppliers who do not provide services listed in Section 9.4.1 [now Paragraph (1) of Subsection D of 7.28.2.9 NMAC] above;
 - (3) family, friends, volunteers and paid individuals not under the direct control of a home health agency.
- E. Branch office:** Means a licensed location from which a home health agency provides services to patient/clients. A home health agency may not apply for a license to open a branch office unless the parent agency has been in operation for at least one year, had an annual survey conducted by the licensing authority, and is found to be in substantial compliance with these regulations.
 - (1) A branch office must be located within one hundred (100) miles distance from the licensed location of the parent home health agency.
 - (2) A branch office must have a qualified on-site administrator who receives direction and supervision from the parent home health agency’s administrator/director.
 - (3) A branch office must be able to provide the same services as the parent home health agency.
 - (4) Original patient/client records, if stored at the parent home health agency, shall be made available upon request of the licensing authority within two (2) hours.
- F. Service area:** A home health agency may only provide services to patient/clients who reside within one hundred (100) miles distance from the licensed location of the agency.
 - (1) The licensing authority may grant a temporary exception to the one hundred (100) mile distance limitation when the following conditions exist:
 - (a) no other home health agency service for the patient/client is available;
 - (b) no home health agency in the area within the one hundred (100) miles distance limitation is able or willing to provide services to the patient/client.
 - (2) Home health agencies not previously required to be licensed by the licensing authority shall have twelve months from the date these regulations are adopted to comply.

G. Auxiliary work station: A non-licensed, non-staffed convenience work station away from the licensed location of the home health agency's office for the limited purposes of storage of supplies and a work area for documentation by staff where a telephone and fax may be available for communication. The auxiliary work station shall not function as a branch office and the following requirements are intended to insure that the work station does not become a branch office:

- (1) must not be utilized to increase the geographical service area of a home health agency or as a substitute for a branch operation of the agency;
- (2) the name of the agency must not be identified by signage at the work station;
- (3) the telephone number for the work station shall not be advertised or otherwise made available to persons or individuals other than staff of the agency;
- (4) patient/clients shall only be admitted by and through the licensed location of the agency;
- (5) no orders for patient/client care from physicians shall be accepted by agency staff at its auxiliary work station;
- (6) no original patient/client records, copies of patient/client records or personnel records shall be maintained by the agency at the auxiliary work station.

7.28.2.10 INITIAL LICENSURE PROCEDURES: The authority to determine if a person(s) or organization is subject to regulation under the statute is inherent in the responsibility to regulate agencies that are within the definitions of the statute and these regulations. To obtain an initial license for a home health agency pursuant to these regulations, the following procedures must be followed by the applicant:

A. These regulations should be thoroughly understood by the applicant and used as reference prior to applying for initial licensure.

B. The following documents must be submitted to the licensing authority:

(1) Letter of intent: Submit to the licensing authority a letter of intention to open a home health agency pursuant to these regulations.

(2) Application for initial license: All information requested by the licensing authority must be provided. All applications for an initial license must be accompanied by the required non-refundable fee.

(3) Functional program outline: Each application for initial licensure must be accompanied by a functional program outline that provides the following information:

- (a) scope of Services to be provided by the proposed home health agency;
- (b) estimated number of patient/clients to be served monthly;
- (c) services that will be contracted or arranged with another health provider, i.e., homemaker, I.V. therapy, etc.;
- (d) hours and days of operation.

(4) Home health agency policies: Submit for review and approval by the licensing authority, a copy of the home health agency policies and a copy of these licensing regulations annotated to the agency's policies and procedures. Note: Each regulation must be referenced to the appropriate policy by writing the page or policy number by the corresponding regulation.

C. Upon the licensing authority's approval of items 10.2.1 through 10.2.4 [now Paragraphs (1) through (4) of Subsection B of 7.28.2.10 NMAC] above, a temporary license will be issued. Upon receipt of the temporary license, the home health agency may admit patients/clients.

D. Upon becoming fully operational and accepting a patient/client, a home health agency must submit a written request to the licensing authority for the initial survey.

E. Upon completion of the initial survey and determination that the facility is in compliance with these regulations, the licensing authority will issue an annual license.

[9/12/74; 8/1/77; 5/7/91; 4/1/97; Recompiled 10/31/01]

7.28.2.11 LICENSES:

A. Annual license: An annual license is issued for a one (1) year period to a home health agency which has met all requirements of these regulations.

B. Temporary license: The licensing authority may, at its sole discretion, issue a temporary license prior to the initial survey, or when the licensing authority finds partial compliance with these regulations, or for administrative purposes.

(1) A temporary license shall cover a period of time, not to exceed one hundred twenty (120) days, during which the facility must correct all specified deficiencies.

(2) In accordance with Section 24-1-5 (D) NMSA 1978, no more than two (2) consecutive temporary licenses shall be issued.

C. Amended license: A licensee must apply to the licensing authority for an amended license when there is a change of administrator/director, or when there is a change of name for the facility.

(1) application must be on a form provided by the licensing authority.

(2) application must be accompanied by the required fee for an amended license.

(3) application must be submitted within ten (10) working days of the change.

[9/12/74; 8/1/77; 5/7/91; 4/1/97; Recompiled 10/31/01]

7.28.2.12 LICENSE RENEWAL:

A. The licensee must submit renewal application on forms provided by the licensing authority, along with the required fee at least thirty (30) days prior to expiration of the current license.

B. Upon receipt of renewal application, required fee and an on-site survey, the licensing authority will issue a new license effective the day following the date of expiration of the current license, if the agency is in substantial compliance with these regulations.

C. If the licensee fails to submit a renewal application with the required fee and the current license expires, the agency shall cease operations until it obtains a new license through the initial licensure procedures. Section 24-1-5(A) NMSA 1978, as amended, provides that no health facility shall be operated without a license. [9/12/74; 5/7/91; 4/1/97; Recompiled 10/31/01]

7.28.2.13 POSTING OF LICENSE: The agency's current, original license must be posted in a conspicuous place at the licensed location, as identified in the application for licensure. [9/12/74, 8/1/77, 5/7/91, 4/1/97; Recompiled 10/31/01]

7.28.2.14 NON-TRANSFERABLE RESTRICTION ON LICENSE: A license shall not be transferred by assignment or otherwise to other persons or locations. The license shall be void and must be returned to the licensing authority when any one of the following situations occur:

A. ownership of the agency changes;

B. the agency changes location of its office;

C. licensee of the agency changes;

D. the agency discontinues operation;

E. an agency wishing to continue operation as a licensed home health agency under circumstances 14.1 through 14.4 [now Subsections A through D of 7.28.2.14 NMAC] above must submit an application for initial licensure in accordance with Section 10 [now 7.28.2.10 NMAC] of these regulations, at least thirty (30) days prior to the anticipated change.

[9/12/74, 8/1/77, 5/7/91; 4/1/97; Recompiled 10/31/01]

7.28.2.15 AUTOMATIC EXPIRATION OF LICENSE: A license will automatically expire at midnight on the day indicated on the license as the expiration date, unless sooner renewed, suspended, revoked, or:

A. on the day an agency discontinues operation;

B. on the day an agency is sold, leased, or otherwise changes ownership and/or licensee;

C. on the day an agency changes location of its office.

[9/12/74, 8/1/77, 5/7/91, 4/1/97; Recompiled 10/31/01]

7.28.2.16 SUSPENSION OF LICENSE WITHOUT PRIOR HEARING: In accordance with Section 24-1-5(H) NMSA 1978, as amended, if immediate action is required to protect human health and safety, the licensing authority may suspend a license pending a hearing, provided such hearing is held within five (5) working days of the suspension, unless waived by the licensee.

[9/12/74, 8/1/77, 5/7/91; Recompiled 10/31/01]

7.28.2.17 GROUNDS FOR REVOCATION OR SUSPENSION OF LICENSE, DENIAL OF INITIAL OR RENEWAL APPLICATION FOR LICENSE, OR IMPOSITION OF INTERMEDIATE SANCTIONS OR CIVIL MONETARY PENALTIES: A license may be revoked or suspended, an initial or renewal application for license may be denied, or intermediate sanctions or civil monetary penalties may be imposed after notice and opportunity for a hearing, for any of the following reasons:

A. failure to comply with any provision of these regulations;

- B. failure to allow survey by authorized representatives of the licensing authority;
 - C. any person active in the operation of an agency licensed pursuant to these regulations shall not be under the influence of alcohol or narcotics or convicted of a felony;
 - D. misrepresentation or falsification of any information on application forms or other documents provided to the licensing authority;
 - E. discovery of repeat violations of these regulations during surveys;
 - F. failure to provide the required care and services as outlined by these regulations for the patients/clients receiving care from the agency.
- [9/12/74; 8/1/77, 5/7/91; 4/1/97; Recompiled 10/31/01]

7.28.2.19 AGENCY SURVEYS:

- A. Application for licensure, whether initial or renewal shall constitute permission for entry into and survey of a home health agency by authorized licensing authority representatives during pendency of the application, and if licensed, during the licensure period.
 - B. The licensing authority shall perform, as it deems necessary, unannounced on-site surveys to determine compliance with these regulations, to investigate complaints, or to investigate the appropriateness of licensure for any alleged unlicensed facility. The licensing authority may include patient/client home visits as part of any survey or investigation.
 - C. Upon receipt of the official deficiency statement from the licensing authority, the licensee or his/her representative will be required to submit a plan of correction to the licensing authority within ten (10) working days, stating how the agency intends to correct each violation noted and the expected date of completion.
 - D. The licensing authority may, at its sole discretion, accept the plan of correction as written or require modifications of the plan by the licensee.
- [9/12/74, 8/1/77, 5/7/91, 4/1/97; Recompiled 10/31/01]

7.28.2.20 ACCEPTANCE OF PATIENTS/CLIENTS: Patients/clients must be accepted for treatment by the agency when there is a reasonable expectation that the patient/client's health care and/or supportive service needs can be met adequately in the patient/client's place of residence.

7.28.2.30 HOME HEALTH AIDE TRAINING REQUIREMENTS:

A. General: No agency licensed pursuant to these regulations may employ an individual as a home health aide on a full-time, part-time, temporary, per diem, or other basis unless:

- (1) that individual is competent to provide services as a home health aide;
- (2) that individual has completed a training program or a competency evaluation program as outlined in Section 30.3 or 30.5 [now Subsections C or E of 7.28.2.30 NMAC] of these regulations.

B. Source of training: Any agency licensed pursuant to these regulations may provide training under the following conditions:

- (1) The agency must submit, in writing, its intent to conduct home health aide training and the training curriculum to the licensing authority. Approval of the curriculum must be obtained from the licensing authority prior to instituting training.

- (2) Agencies electing not to provide formal training must identify the method by which they will establish the competency of home health aides and document that each is determined competent.

- (3) The licensing authority may deny a home health agency the right to conduct home health aide training or competency evaluation, for a specified period of time, not to exceed two (2) years, if the licensing authority finds the agency in substantial non-compliance with these regulations.

C. Course requirements: Home health aides: The home health aide training program must address each of the subject areas listed below through classroom and supervised practical training totalling at least seventy-five (75) hours, with at least sixteen (16) hours devoted to supervised practical training. "Supervised practical training" means training in a laboratory or other setting in which the trainee demonstrates knowledge while performing tasks on an individual under the direct supervision of a registered nurse or licensed practical nurse.

- (1) The individual being trained must complete at least sixteen (16) hours of classroom training before beginning the supervised practical training;

- (2) communications skills;

- (3) observation, reporting and documentation of patient status and the care or service furnished;

- (4) reading and recording of vital signs;

- (5) basic infection control procedures;

- (6) basic elements of body functioning and changes in body function that must be reported to an aide's supervisor;
- (7) maintenance of a clean, safe and healthy environment;
- (8) recognizing emergencies and knowledge of emergency procedures (including CPR and first aid);
- (9) the physical, emotional and developmental needs of and ways to work with the populations served by the home health agency, including the need for respect for the patient, his or her privacy and his or her property;
- (10) appropriate and safe techniques in personal hygiene and grooming that include, but are not limited to, bathing, shampooing, nail and skin care, oral hygiene and toileting;
- (11) safe transfer techniques and ambulation;
- (12) normal range of motion and positioning;
- (13) nutrition and hydration;
- (14) patient/client rights, including respect for cultural diversity;
- (15) any other task that the home health agency may choose to have the home health aide perform.

D. Instructor personnel:

- (1) The training of home health aides must be performed by, or under the supervision of, a registered nurse who possesses a minimum of two (2) years of nursing experience, at least one (1) year of which must be in the provision of home health services.
- (2) Other pertinent personnel from the health professions may also be utilized as supplemental instructors.

E. Documentation of training or competency evaluation:

- (1) All agencies which provide home health aide training courses or competency evaluations must document such training or competency evaluation for each individual taking the training or competency evaluation. Competency evaluation includes both a written test and a skills demonstration. Skills demonstration must be observed and documented by a registered nurse or licensed practical nurse.
- (2) Documentation must include at least the following information:
 - (a) Training:
 - (i) name of individual taking training;
 - (ii) title, purpose and objectives of class;
 - (iii) name of instructor and qualifications;
 - (iv) number of hours of instruction;
 - (v) date instruction was given.
 - (b) Competency:
 - (i) name of individual being evaluated for competency;
 - (ii) date and method used to determine competency.

F. Annual in-service training: Each home health aide must participate in at least twelve (12) documented hours of in-service training during each twelve (12) month period. This requirement may be fulfilled on a prorated basis during the home health aide's first year of employment at the home health agency.

G. Annual performance review: A performance review, including written evaluation and skills demonstration must be completed on each home health aide no less frequently than every twelve (12) months. [9/12/74, 8/1/77, 5/7/91, 4/1/97; Recompiled 10/31/01]

7.28.2.31 HOMEMAKER/PERSONAL CARE ATTENDANT OR EQUIVALENT TRAINING REQUIREMENTS:

A. General: No agency licensed pursuant to these regulations may employ an individual as a homemaker/personal care attendant or equivalent on a full-time, part time, temporary, per diem or other basis unless:

- (1) That individual is competent to provide assigned tasks as a homemaker/personal care attendant or equivalent.

- (2) That individual has completed a training program or a competency evaluation program as outlined in Section 31.3 or 31.5 [now Subsections C or E of 7.28.2.31 NMAC] of these regulations.

B. Source of training: Any agency licensed pursuant to these regulations may provide training under the following conditions:

- (1) The agency must submit, in writing, its intent to conduct homemaker/personal care attendant or equivalent training and the source of training material. Approval of the curriculum must be obtained from the licensing authority prior to instituting training.

(2) Agencies electing not to provide formal training must identify the method by which they will establish the competency of homemaker/personal care attendant or equivalent and document that each is determined to be competent.

(3) The licensing authority may deny a home health agency the right to conduct homemaker/personal care attendant or equivalent training or competency evaluation, for a specified period of time, not to exceed two (2) years, if the licensing authority finds the agency in substantial noncompliance with these regulations.

C. Course requirements: The home health agency's homemaker/personal care attendant or equivalent training program must consist of no less than forty (40) hours of training, to be completed by the homemaker/personal care attendant or equivalent in the first year of employment. Ten (10) hours of training must be completed prior to placing the homemaker/personal care employee in a patient/client home. Two (2) of the ten (10) hours may include agency orientation. Eight (8) of the ten (10) hours training must be patient/client service specific. The training must address, at a minimum, the following areas:

- (1) communication skills;
- (2) patient/client rights, including respect for cultural diversity;
- (3) recording of information for patient/client records;
- (4) nutrition and meal preparation;
- (5) housekeeping skills;
- (6) care of the ill and disabled, including the special needs populations;
- (7) emergency response (including CPR and first aid);
- (8) basic infection control;
- (9) home safety.

D. Instructor personnel:

- (1) The training of homemaker/personal care attendant or equivalent must be performed by or under the direction of a licensed professional or an appropriately qualified person.
- (2) Other pertinent personnel from the health professions may also be utilized as supplemental instructors.

E. Documentation of training or competency evaluation:

(1) All agencies which provide homemaker/personal care attendant or equivalent training courses or competency evaluations must document such training or competency evaluation for each individual taking the training or competency evaluation. The training or competency evaluation must be observed and documented by a licensed professional or an appropriately qualified person.

(2) Documentation must include at least the following information:

- (a) Training:
 - (i) name of individual taking training;
 - (ii) title, purpose, and objectives of class;
 - (iii) name of instructor;
 - (iv) number of hours of instruction;
 - (v) date instruction was given.
- (b) Competency:
 - (i) name of individual being evaluated for competency;
 - (ii) date and method used to determine competency.

(3) Annual in-service Training: Each homemaker/personal care attendant or equivalent shall participate in at least ten (10) documented hours of in-service training during each twelve (12) month period. [9/12/74, 8/1/77, 5/7/91, 4/1/97; Recompiled 10/31/01]

7.28.2.32 PATIENT/CLIENT RIGHTS: A home health agency licensed pursuant to these regulations must protect and promote the rights of each individual under its care, including each of the following rights:

- A.** the right to be fully informed in advance about the care and treatment to be provided by the agency;
- B.** the right to refuse or terminate treatment;
- C.** the right to be fully informed in advance of any changes in the care or treatment to be provided by the agency that may affect the individual's well-being;
- D.** the right to participate in planning care and treatment or changes in care or treatment, except for those individuals adjudged incompetent;

E. the right to be treated with dignity and respect and to be free from abuse, neglect, and exploitation. No home health agency to whom a patient/client's money or valuables have been entrusted shall mingle the patient/clients monies, valuables or property, with that of the licensee, staff and/or management;

F. the right to voice grievances, with respect to treatment or care that is or fails to be furnished, without discrimination or reprisal for voicing such grievances;

G. the right to confidentiality of medical care and patient/client records;

H. the right to have one's property treated with respect;

I. the right to be fully informed, orally and in writing, of all charges for services to be performed by the agency and of any changes in these charges;

J. the right to be informed of the New Mexico home health agency hotline number (1-800-752-8649), hours of operation (8:00am-5:00pm, Monday-Friday), and purpose of the hotline, which is to receive complaints, questions about local home health agencies, or to lodge complaints concerning the implementation of the advance directives requirements;

K. the right to be fully informed regarding advance directives, prior to care being given. This information must include agency policies on advance directives and a description of applicable state law;

L. the right to be fully informed, in writing, of the patient/client's rights pursuant to these regulations. [9/12/74, 8/1/77, 5/7/91, 4/1/97; Recompiled 10/31/01]

7.28.2.33 PLAN OF CARE: Care of a patient/client by the agency must follow a written plan of care which is reviewed at least annually.

A. Medically directed care: An agency must follow a written plan of care established and periodically reviewed by a physician, and care continues under the supervision of a physician.

(1) The plan of care shall be developed in consultation with appropriate agency staff and cover all pertinent diagnoses, including but not limited to:

- (a) mental status;
- (b) types of services and equipment required;
- (c) frequency and duration of visits;
- (d) functional limitations;
- (e) activities permitted;
- (f) nutritional requirements;
- (g) medications and treatments;
- (h) safety measures to protect against injury;
- (i) plans or goals for care;
- (j) any other appropriate items.

(2) If a physician refers a patient/client under a plan of care which cannot be completed until after an evaluation visit, the physician must be consulted to approve additions or modifications to the original plan.

(3) The plan of care must be reviewed by the attending physician and home health agency personnel at least annually or as often as the condition of the patient/client requires.

(4) Agency professional staff must promptly alert the physician to any changes that suggest a need to alter the plan of care.

(5) Conformance with physician's orders:

(a) Drugs and treatments shall be administered by agency staff only as ordered by the physician.

(b) Licensed professionals must immediately record and sign oral orders and obtain the physician's countersignature.

(c) For a patient/client receiving nursing services, all medications a patient/client may be taking must be checked to identify possible ineffective drug therapy, adverse reactions, significant side effects, drug allergies and contraindicated medications. Medication problems must be promptly reported to the physician.

B. Non-medically directed care: An agency must follow a written plan of care, which includes goals and objectives appropriate to the patient/client being served, and which is established and reviewed at least annually by agency staff.

[9/12/74, 8/1/77, 5/7/91, 4/1/97; Recompiled 10/31/01]

7.28.2.34 PATIENT/CLIENT RECORDS: Each agency licensed pursuant to these regulations must maintain the original record for each patient/client receiving services. Patient/client records shall be made available

for review upon request of the licensing authority. Every record must be accurate, legible, promptly completed and consistently organized. A patient/client record must meet the following criteria:

A. Content of patient/client record:

- (1) Medically directed patient/client record must include:
 - (a) past and current medical findings in accordance with accepted professional standard;
