**8.102.120.11 SIMPLIFIED REPORTING:** Simplified reporting is a periodic reporting requirement for benefit groups that receive NMW cash assistance. A benefit group assigned to simplified reporting must file a report of changes in the sixth month of a 12-month certification period.

**A. Certification period:**

(1) **Initial application:** A benefit group that is applying for both SNAP and NMW, shall be assigned a NMW certification period that ends in the same month as the SNAP certification period with the exception of those SNAP benefit groups assigned to a 24-month certification.

(2) An initial applicant for NMW that is already participating and assigned to simplified reporting in the SNAP program:

(a) if approved for NMW, shall be assigned a NMW certification period that will end the same month as the SNAP certification period; and

(b) must file an interim report form in the same month that one is due in the SNAP program;

(c) if NMW is approved in the same month an interim report form is due in SNAP program, the requirement in Subparagraph (b), above, is waived for NMW.

(3) A benefit group that is approved for NMW, but does not receive SNAP shall be assigned a twelve-month certification period:

(a) beginning the first month of eligibility; and

(b) shall have an interim report form due in the sixth month of the NMW certification period.

(4) A benefit group that is receiving NMW and applies for SNAP shall have NMW eligibility re-determined at the same time that the SNAP eligibility is determined.

(a) If NMW benefits increase, the increase shall be effective the month following the first month of approval for SNAP and NMW shall be assigned a certification period that ends in the month the simplified reporting SNAP certification ends.

(b) If approved for SNAP and the NMW benefit decreases, the decrease shall be effective the month following the month the NOAA expires, and the NMW benefit group shall be assigned a certification period that ends in the same month the SNAP certification ends.

(c) If approved for SNAP and the NMW benefit is terminated, the termination shall be effective the month following the month the NOAA expires, and the SNAP case shall be transitioned to TFS.

(5) **Recertification:** A benefit group that is recertifying and is approved and assigned to simplified reporting shall be assigned a certification period that:

(a) is 12 months long;

(b) begins the month after the current certification ends; or

(c) is set to end in the same month as a SNAP case with a common member.

**B. Excluded from simplified reporting:** The simplified reporting requirement shall be assigned to all NMW benefit groups except programs listed in Paragraph (2) of Subsection C of 8.102.120.9 NMAC.

**C. Simplified reporting requirements:** A benefit group assigned to simplified reporting shall be required to file an interim report form no later than the tenth day of the sixth month of the 12-month certification period, or in compliance with the SNAP simplified report, whichever is appropriate. The benefit group must include the following information along with necessary verification, as required at 8.100.130 NMAC:

- (8) changes in alien status for a benefit group member.

**D. Budgeting methodology for simplified reporting at initial application and recertification:**

(1) Prospective budgeting shall be used for an applicant benefit group at initial application and at recertification as set forth at 8.102.500.9 NMAC.

(2) At initial application, eligibility and amount of payment for the applicant benefit group shall be determined prospectively for the each of the first six months of the certification.

(3) At recertification, eligibility and amount of payment shall be determined prospectively for six months following last month benefit group's certification period.

**E. Budgeting methodology for simplified reporting:**

(1) At processing the interim report form, eligibility and amount of payment shall be determined prospectively for the six months following the month the interim report form is due.

(2) In determining a benefit group's eligibility and payment amount, the income already received shall be used to prospectively anticipate income the benefit group expects to receive during the certification period according to the following schedule:

(a) **Weekly:** For income received weekly the participant benefit group must submit and ISD shall accept as verification income received from any consecutive past 30-day period that includes 30 days prior to the month the report is due and the month the report is due.

(b) **Bi-weekly:** For income received bi-weekly the participant benefit group must submit and ISD shall accept as verification income received from any consecutive past 30-day period that includes 30 days prior to the month the report is due and the month the report is due.

(d) **Monthly:** For income received monthly the participant benefit group must submit and ISD shall accept as verification income received from any consecutive past 30-day period that includes 30 days prior to the month the report is due and the month the report is due.

(e) **Income received more frequently than weekly:** For benefit groups with income received more frequently than weekly, exact income, rather than averaged and converted income shall be used to determine benefits. For income received more frequently than weekly the participant benefit group must submit and ISD shall accept as verification income received from any consecutive past 30-day period that includes 30 days prior to the month the interim report form and the month the report is due.

(f) If a determination is made that the use of the pay data for the methods described in (a) through (e), above, does not give the most accurate estimate of monthly earnings due to unique circumstances; the caseworker shall use whatever method gives the most accurate estimate of earnings.

(g) **Income received less frequently than monthly:** The amount of monthly gross income that is received less frequently than monthly shall be determined by dividing the total income by the number of months the income is intended to cover. This includes, but is not limited to, income from sharecropping, farming, and self-employment. It also includes contract income and income for a tenured teacher who may not have a contract.

**(3) Self-employment:**

(a) Requirements for determination of self-employment income are set forth at Subsection E of 8.139.520.10 NMAC, and the verification standards for business and self-employment income are set forth at 8.100.130.25 NMAC.

(b) A benefit group assigned simplified reporting that has had self-employment income annualized by ISD shall be required to report changes in self-employment income only if the benefit group has filed a tax return subsequent to its last approval or recertification for NMW.

(c) A benefit group assigned simplified reporting that does not have the self-employment income annualized must report self-employment income on the interim report form. The income reported on the simplified report form will be calculated in the following manner.

(i) If a self-employment enterprise has been in existence for less than one year, the income from self-employment shall be averaged over the period of time the business has been in operation. The resulting monthly amount shall be projected for the duration of the certification period.

(ii) **Seasonal income:** Self-employment income that is intended to meet a benefit group's needs for only part of the year shall be averaged over the time the income is intended to cover.

(d) A benefit group required to report simplified self-employment income that fails to provide verification of an allowable deduction at the interim or during the month the interim report form is due shall not be allowed the deduction. ISD shall process the report if all other mandatory verification has been provided.

(4) **Use of conversion factors:** Whenever a full month's income is anticipated and is received on a weekly or biweekly basis, the income shall be converted to monthly amount as follows:

- (a) income received on a weekly basis is averaged and multiplied by four;
- (b) income received on a biweekly basis is averaged and multiplied by two;
- (c) averaged income shall be rounded to the nearest whole dollar prior to

application of the conversion factor; amounts resulting in \$.50 or more are rounded up; amounts resulting in \$.49 or lower are rounded down.

**F. Time limits for submission and processing an interim report form:**

(1) An interim report form shall be mailed to a benefit group in the month prior to the month the report is due.

(2) A benefit group assigned to simplified reporting shall be required to submit an interim report form by the tenth calendar day of the month the interim report form is due.

(3) The interim report form shall be reviewed for completeness within ten days of receipt.

(a) If the form is complete and all verifications are provided, ISD shall complete the processing of the form within 10 days of receipt.

(b) If the form is complete and all verifications are provided except for verification of an allowable deduction, the report shall be processed without the deduction. The household shall be:

(i) notified that verification is lacking; and

(ii) shall be given 10 days to provide verification of an allowable deduction;

(iii) a deduction that is verified within the month the interim report form is due shall be processed as part of the interim report;

(iv) a deduction that is verified in the month after the interim report form is due shall be processed as a change reported by the household;

(v) a deduction that does not have the required verification shall not be allowed until verification of the expense is provided.

(4) An interim report form that is incomplete or not signed shall be returned to the benefit group for completion.

(5) The benefit group must return the completed interim report form and all required verification within 10 calendar days to avoid a break in benefits. A benefit group that fails to submit an interim report form by the end of the month in which it is due, shall be issued an adequate notice of closure.

**G. Information requirements for simplified reporting:** The interim report form shall specify:

(1) the date by which a benefit group must submit the form for uninterrupted benefits;

(2) the consequences of submitting a late or incomplete form;

(3) that verification must be submitted with the interim report form;

(4) where to call for help in completing the form;

(5) the consequences of providing incorrect information; and

(6) notice of rights.

**H. Requirement to report certain changes between reporting periods:** A benefit group must report changes within 10 days of the date a change becomes known to the benefit group:

(1) a benefit group reports income in excess of eighty-five percent of federal poverty guidelines for size of the benefit group;

- (8) unearned income in excess of the maximum monthly benefit for the size of the benefit group;
- (9) changes in countable resources if the total of all countable resources for the benefit group exceed the \$1500 liquid or \$2000 non-liquid resource limit;
- (10) in the absence of a written report, a 13-day notice of adverse action is required if the change will result in a reduction or termination of benefits.

**I. Action on changes reported between reporting periods for benefit groups assigned to simplified reporting:**

- (1) ISD shall act on all reported changes.
- (2) ISD has information about the household's circumstances considered verified upon receipt. Verified upon receipt is defined as:
  - (a) information is not questionable and,
  - (b) the provider of the information is the primary source of information or;
  - (c) the trusted data sources must be pulling their own data not from third party information; or
  - (d) the recipient's attestation exactly matches the information received from a third party.
- (3) A newborn shall be added to the benefit group effective the month following the month the report is received.
- (4) The loss of earned income shall be considered for eligibility in the second month after the loss and ongoing until the next scheduled interim report or end of certification whichever is first, provided that:
  - (a) the loss of income was reported to the agency, and verified by the benefit group; and
  - (b) the loss of income was not due to voluntary quit.
- (5) The loss of unearned income shall be considered for eligibility in the month after the loss and ongoing until the next scheduled interim report or end of certification whichever is first, provided that the loss of income was reported to the agency, and verified by the benefit group.

**J. Responsibilities on reported changes outside of the interim report:** When a household reports a change, ISD shall take action to determine the household's eligibility or TANF benefit amount within 10 working days of the date the change is reported.

- (1) **Decreased or termination of benefits:** For changes that result in a decrease or termination of household benefits, ISD shall act on the change as follows:
  - (a) if the household's benefit level decreases or the household becomes ineligible as a result of the change, ISD shall issue a notice of adverse action within 10 calendar days of the date the change was reported unless one of the exemptions to the notice of adverse action in 7 CFR 273.13 (a)(3) or (b) applies.
  - (b) when a notice of adverse action is used, the decrease in the benefit level shall be made effective no later than the allotment for the month following the month in which the notice of adverse action period has expired, provided a fair hearing and continuation of benefits have not been requested.
  - (c) when a notice of adverse action is not used due to one of the exemptions in 7 CFR 273.13 (a)(3) or (b), the decrease shall be made effective no later than the month following the change. Verification which is required by 7 CFR 273.2(f) must be obtained prior to recertification.
- (2) **Increased benefits:** For changes that result in an increase of household benefits, ISD shall act on the change as follows:
  - (a) for changes which result in an increase in a household's benefits, other than changes described in Paragraph (b) of this section, ISD shall make the change effective no later than the first allotment issued 10 calendar days after the date the change was reported to ISD.
  - (b) for changes which result in an increase in a household's benefits due to the addition of a new household member who is not a member of another certified household, or due to a decrease of \$50 or more in the household's gross monthly income, ISD shall make the change effective not later than the first allotment issued 10 calendar days after the date the change was reported.
    - (i) in no event shall these changes take effect any later than the month following the month in which the change is reported.
    - (ii) if the change is reported after the last day to make changes and it is too late for ISD to adjust the following month's allotment, ISD shall issue a supplement or otherwise provide an opportunity for the household to obtain the increase in benefits by the 10th calendar day of the following month, or the household's normal issuance cycle in that month, whichever is later.

(3) **No change in TANF benefit amount:** When a reported change has no effect on the TANF benefit amount, ISD shall document the change in the case file and notify the household of the receipt of the report.

(4) **Providing verification:** The household shall be allowed 10 calendar days from the date a change is reported to provide verification, if necessary. If verification is provided at the time a change is reported or by the deadline date, the increase in benefits shall be effective in accordance with (2)(a) and (2)(b) above. If the household fails to provide the verification by the deadline date, but does provide it at a later date, the increase shall be effective in the month following the month the verification is provided. If the household fails to provide necessary verification, its SNAP benefit amount shall revert to the original benefit amount.

**K. Resolving unclear information:**

(1) During the certification period, ISD may obtain information about changes in a household's circumstances from which ISD cannot readily determine the effect of the change on the household's benefit amount. The information may be received from a third party or from the household itself. ISD must pursue clarification and verification of household circumstances using the following procedure if unclear information received outside the periodic report is:

(a) information fewer than 60 days old relative to the current month of participation; and,

(b) if accurate, would have been required to be reported under simplified reporting rules, in accordance with 8.102.120.11 NMAC.

(c) ISD must pursue clarification and verification of household circumstances in accordance with the process outlined in Subsection B of 8.100.130.12 NMAC, for any unclear information that appears to present significantly conflicting information from that used by ISD, at the time of certification.

(2) **Unclear information resulting from certain data matches:**

(a) if the department receives match information from a trusted data source as described in 7 CFR 272.13 or 7 CFR 272.14, ISD shall send a notice in accordance with Subsection B of 8.100.130.12 NMAC in accordance with 7 CFR 272.13(b)(4) and 7 CFR 272.14 (c)(4). The notices must clearly explain what information is needed from the household and the consequences of failing to respond to the notice.

(b) if the household fails to respond to the notice or does respond but refuses to provide sufficient information to clarify its circumstances, ISD shall remove the individual and the individual's income from the household and adjust benefits accordingly. As appropriate, ISD shall issue a notice of adverse action.

**L. Failure to report changes:** If ISD discovers that the household failed to report a change as required, ISD shall evaluate the change to determine whether the household received benefits to which it was not entitled or if the household is entitled to an increased benefit amount.

(1) **Decreased benefit amount:** After verifying the change, ISD shall initiate a claim against the household for any month in which the household was over issued TANF benefits. The first month of the over issuance is the month following the month the adverse action notice time limit would have expired had the household timely reported the change. If the discovery is made within the certification period, the household is entitled to a notice of adverse action if its benefits will be reduced.

(2) **Increased benefit amount:** When a household fails to timely report a change which will result in an increased TANF benefit amount, the household is not entitled to a supplement for any month prior to and including the month in which the change was reported. The household is entitled to an increased benefit amount effective no later than the first benefit amount issued 10 calendar days after the date the change was reported.

**M. Non-reporting sanctions:** A benefit group assigned to simplified reporting shall be subject to a non-reporting sanction in accordance with regulations at 8.102.620.11 NMAC for failure to provide accurate change information on the interim report form or for failure to report by the tenth calendar day of the month following the month that household income exceeds eighty-five percent of federal poverty guidelines for the size of the benefit group.
